Notes:

1. Each research group recommends no more than 2 users to apply for the awards, by submitting the "Application Entry Form" (see Attachment 1) to the CCSE email: ccse@sustech.edu.cn, with the subject of the email as: Registration-Department-Research Group-Name;

2. The submitted materials must include display materials and auxiliary text description materials. The display materials can be posters (60cm*90cm, pixels not less than 300dpi), animations, video files, etc. (besides research papers). The supporting text should be within 1 page of A4 paper (within 1000 words), and could be written in either Chinese or English. In addition, it is required to provide a one-sentence introduction to the research work (Chinese and English versions are required, with the Chinese version not exceeding 20 words and the English version not exceeding 30 words).

Remarks: The submitted materials should contain clear research topics, a statement of research significance, advanced computational methods, and

concise explanation and description. The display materials should be mainly posters and animations, with concise text descriptions. The poster format must be .ps, .eps, .pdf, .jpg, and .png. The resolution should be 300 ~ 600 dpi. If it is a research result published by the research group, the reference should be indicated. The explanatory materials should include the research background, research purpose, research methods and research results.
